

MGDales

JOINERY

HAND CRAFTED, FULLY BESPOKE JOINERY

QUALITY & EXPERIENCE

Established since 1967, M.G. Dales have been supplying high quality joinery products to customers in Lincolnshire and the surrounding counties.

The company has grown primarily through recommendation and reputation. Our full time team of craftsmen with over 200 years of collective experience are able to undertake any joinery project.

We are committed to maintaining a high level of product quality and customer service, from design and manufacture through to installation. We welcome the opportunity to discuss your requirements.

STAIRS

A highly crafted staircase can provide a stunning centrepiece to any home. We can provide a bespoke staircase to suit any design, style or finish required. Whether you require cut string, closed string, curved, traditional or modern we can design, produce, finish and fit the staircase to blend in and suit the appearance and style of your home.

WINDOWS

We can design and build a handcrafted window in any style. Every window is handmade and can be produced as a single window through to multiple order. All windows can be pre-finished and factory glazed, all Casement style windows include Friction hinges and Espagnollette locking.

BOX SASH

Our Box Sash windows are designed with the period property in mind, we are able to replicate existing styles to comply with Grade 1 and Grade 2 listed buildings. Our use of the Duplex Glazing System allows us to incorporate Double Glazing into the window without increasing the size of the glazing bar to preserve the character of the building.
